

**INDUCTOR
INNOVATIONS**
Home of the Original Mini-Ductor®

Inductor Max®

KEY BENEFITS:

- ✔ **Speed and Efficiency:** Quickly remove vinyl graphics, moldings, auto glass, windshields, mechanical and suspension parts. Remove body side moldings and pinstriping in seconds, quarter glass in under 3 minutes, and windshields in less than 12 minutes.
- ✔ **Flame-Free Safety:** Induction heating ensures precise removal without damaging surrounding surfaces or components.
- ✔ **Versatile Applications:** Perfect for automotive glass replacement, body shop repairs, mechanical work, and more.

Available through your local tool distributor.
